

MESSAGES OF SUPPORT

CKS Foundation stands on the goodwill, support and constant encouragement of many. Through the especially challenging times of 2020-21, we received countless messages from our well-wishers, including at ECGC (Govt of India), Niti Aayog etc. Many of these messages have translated into on-ground support, donations and grants for our education & computer centers. We are very grateful and humbled by each & every helping hand that has seen us through the year.

HAPPY TEACHERS' DAY!
IF THERE WERE NO TEACHERS, ALL OTHER PROFESSIONS WOULD NOT EXIST.

Each one is my Teacher..we learn from each other, rejoice n rejuvenate in each other's company! Happy Teacher's Day

NEW CKS FOUNDATION EDUCATION CENTER IN POKHRI, UTTARAKHAND

From the darkness emerges light! 2021 was the year that CKS Foundation welcomed a new community of students into its fold with the inauguration of CKS Foundation - Pokhri. Set along a picturesque mountainside, this center will welcome students from primary, middle and senior schools into its classrooms and library. We are thankful for the partnership of ECGC Ltd (Govt. of India) in providing us with the essential resources to get this new initiative off the ground in one of the most under-served regions of Uttarakhand.
