## Section 1

### 1. Introduction

#### 1.1. Invitation to Bidders

By way of this Request for Proposal ('RFP') Document (hereinafter also referred to as 'the Bid Document' or 'the Tender Document') **ECGC Limited** (hereinafter referred to as 'ECGC / the Company'), a company wholly owned by Government of India and set up in 1957, invites competitive Bids from vendors (hereinafter referred to as ('the Bidder's) for **Request for Proposal for appointment of Network Integrator (NI) for implementation of Software Defined Wide Area Network (SD-WAN) Solution for ECGC Limited.**

The "Eligibility, Technical and Price/Financial Bids" along with the supporting documents would be received in physical form.

The Bidder(s) are advised to study the Tender Document carefully. Submission of Bids shall be deemed to have been done after careful study and examination of the Tender Document with full understanding of its implications.

The Bid Document may be downloaded from the Company's website <https://main.ecgc.in/english/tenders-called-for/>

Please note that all the required information asked needs to be provided. Incomplete information may lead to rejection of the Bid. The Company reserves the right to change the dates mentioned in this RFP Document, which will be communicated to the Bidder(s), and shall be displayed on the Company's website. The information provided by the Bidder(s) in response to this RFP Document will become the property of ECGC and will not be returned. ECGC reserves the right to amend, rescind or reissue this RFP Document and all SUBSEQUENT amendments, if any. Amendments or changes shall be displayed at ECGC's website only.

### **2. Disclaimer**

The information contained in this RFP Document or information provided subsequently to Bidder(s) in documentary form by or on behalf of ECGC, is provided to the Bidder(s) on the terms and conditions set out in this RFP document and all other terms and conditions subject to which such information is provided.

This RFP Document is neither an agreement nor an offer and is only an invitation by the Company to the interested parties for submission of Bids. The purpose of this RFP Document is to provide the Bidder(s) with information to assist the formulation of their bids.

This RFP Document does not claim to contain all the information each Bidder may require. Each Bidder should conduct its own investigations and analysis and should check the accuracy, reliability and completeness of the information in this RFP Document and where necessary obtain independent advice.

The Company may in its absolute discretion, but without being under any obligation to do so, update, amend, supplement the information or withdraw this RFP Document at any stage. No contractual obligation whatsoever shall arise from the RFP process until a formal contract is signed and executed by duly authorized representatives of the Company with the selected Bidder.

### **Section 3**

## **3. Instructions for Bidder(s)**

### **3.1. General Instructions**

- 3.1.1** Before bidding, the Bidder(s) are requested to visit the ECGC website <https://main.ecgc.in/english/tenders-called-for/> and also carefully examine the Tender Document and the General Terms and Conditions of the Contract (TCC) contained therein, and if there appears to be any ambiguity or discrepancy between any terms of the Tender Document and the Contract, they should immediately refer the matter to ECGC for clarifications.
- 3.1.2** The Bidder, for the purpose of making the Bid, shall complete in all respects, the form(s) annexed to the Tender Document, quote the prices and furnish the information/documents, called for therein, and shall sign and date on each of the forms/documents in the space provided therein for the purpose. The Bidder shall affix its initial on each page of the Bidding Documents.
- 3.1.3** The Bid shall be signed by a person or persons duly authorized by the Bidder with signature duly attested. In the case of a body corporate, the Bid shall be signed by the officers duly authorized by the body corporate with its common seal duly affixed. In case of a consortium, the Bid shall be signed by the officer (s) so authorized by each consortium member and the Bid shall be affixed with the common seals of each member of the consortium.
- 3.1.4** The Bid shall contain the address, Tel. No., Fax No. and e-mail id, if any of the Bidder, for the purposes of serving notices required to be given to the Bidder in connection with the Bid.
- 3.1.5** The Bid form and the documents attached to it shall not be detached from one another and no alteration or mutilation (other than filling in all the blank spaces) shall be made in any of the forms or documents attached thereto. Any alterations or changes to the entries in the attached documents shall only be made by a separate covering letter otherwise it shall not be entertained for the Bidding process.
- 3.1.6** The Bidder, irrespective of its participation in the bidding process, or its outcome shall treat the details of the documents as privileged, secret and confidential.
- 3.1.7** ECGC does not bind itself to accept the lowest of any Bid and has the right to reject any Bid without assigning any reason whatsoever. ECGC also reserves the right to re-

issue the Tender Document, or cancel the entire Tender process without assigning any reason(s).

- 3.1.8** Bids shall be submitted in three parts i.e. (1) Qualification/ Eligibility Bid (2) Technical Bid and (3) Price/Financial Bid.
- 3.1.9** The Bidder shall submit the **Eligibility Bid** as per the form provided under [Annexure – 1](#) and the same shall be enclosed in a separate single sealed envelope with all supporting documents whatsoever.
- 3.1.10** The Bidder shall submit the **Technical Bid** as per the forms provided under [Annexure – 4](#) and the same shall be submitted in a separate single sealed envelope with all supporting documents whatsoever.
- 3.1.11** The Bidder shall submit the Price/Financial Bid as per the form provided under [Annexure – 5](#) and the same shall be enclosed in separate sealed envelope.
- 3.1.12** Supporting documents are to be submitted in the Qualification, Technical as well as Price/Financial Bids. Incomplete or partial submission of relevant documents will lead to disqualification.
- 3.1.13** The rates should be sent only in the prescribed format. Non-conformance or quotations received in any other format may result in rejection of the Bid.
- 3.1.14** The Bidder should ensure that there are no cuttings, over-writings, and illegible or undecipherable figures to indicate their Bid. All such Bids may be disqualified on this ground alone. The decision of the Company shall be final and binding on the Bidder. The Bidder should ensure that ambiguous or unquantifiable costs / amounts are not included in the Bid, which would disqualify the Bid.
- 3.1.15** Each Bidder can submit only one Bid.
- 3.1.16** No queries or change in requirements specifications/line items will be entertained in terms of the Bid process, except if such changes are advised or are approved by the Company.
- 3.1.17** The Bidder should commit to provide the resources desired by the Company for the entire duration of the engagement, at the agreed cost and terms and conditions.

### 3.2. Cost of Bidding

The Bidder shall bear all costs associated with the preparation and submission of its Bid, and the Company will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the Bidding process.

### **3.3. Validity Period**

Bids shall have the validity period of 90 days from the closing date of the RFP. Bidders are required to offer 90 days price validity as per Bid Terms. The prices quoted shall remain firm and fixed during the currency of the Purchase order/Contract unless agreed otherwise by the Company.

### **3.4. Scope of Work**

ECGC intends to refresh its existing WAN network setup which includes SD-WAN devices along with Dual MPLS links (Primary & Secondary) on PAN India locations and Internet links (Primary & Secondary) centrally at DC & DR respectively for five years period along with their Annual Maintenance Cost in Opex model. The scope of work broadly includes the following:

1. The ECGC has envisaged to refresh SD-WAN solution as per details mentioned in this RFP. The Bidders are required to quote the network equipment and related software and links, listed in Annexure- 4 – Technical Specifications.
2. The procurement of the network equipment mentioned in the RFP will be at ECGC discretion and ECGC may not procure all the items mentioned in the RFP. Also, ECGC may ask for staggered delivery of some of the network equipment mentioned in the RFP. Details of the same would be shared with the successful Bidder at a later stage.
3. Bidder shall provide the details of each individual proposed equipment along with the Hardware & Software proposed, in Annexure 4.
4. Bidder must propose end to end solution on Opex Model for 5 year period. After the completion of 5 year of useful life of SD WAN Boxes, ECGC will pay only AMC/Maintenance charges for SD WAN Boxes for continuing the same if needed. The SD WAN boxes will not be handed over to NI.
5. Bidder is required to install and configure the equipment provided by the OEM/s only. Thus, Bidder is required to unpack, assemble, mount, and boot the equipment and install the necessary service packs, patches, and fixes to the Operating System, set up and configure the equipment. Compatibility issues of subsystems with OS, respective drivers, firmware, any other cards to be installed, if required, are to be resolved by bidder without any additional cost to the company.

6. Bidder should supply, install, configure, migrate the existing SD-WAN solution to the new proposed SD-WAN solution and need to maintain the equipment till the contract period. ECGC and its existing System Integrator will conduct the acceptance test and verify that the installation complies with the configuration and relevant settings of the company.
7. Bidder will be responsible to provide the following to meet the Service Levels defined in this RFP till the Contract period.

- Onsite comprehensive warranty
- AMC/ATS/subscription
- Arrange back-to-back support from the respective OEM.

In Case of RMA, it is bidders' responsibility to replace the equipment as per SLA and to return the faulty equipment to the OEM warehouse at no extra cost to the Company during the tenure of the contract.

8. Bidder should also take adequate care to avoid quoting network equipment going End-of-Sale within 1 year of date of supply of the equipment to the Company and network equipment going End-of-Support during the tenure of the contract.
9. Bidder should ensure that proposed network equipment should not go end-of-support within 5 years from the date of the Purchase Order. Bidder should produce an Authorization Letter in favor of ECGC with reference to this RFP assuring full guarantee and warranty obligations for a MINIMUM period of Five years from the date of PO released.
10. The Bidder is required to supply, install, configure & migrate from the existing SD-WAN solution to new SD- WAN Solution and provide subsequent comprehensive on-site warranty/AMC/ATS/subscription of the network equipment based on the Bill of Materials shared by the Company and the solutions (Hardware, Software, etc.) proposed. The delivery & project plan must be synchronized with the project delivery timelines and management & monitoring of the deployments.
11. The bidder has to provide an undertaking on his letter head that the BOM is complete in all manner as offered in SDWAN Solution which include Hardware, Software license and any other components including cables.
12. Bidder is also required to provide skilled resources that may be required for the successful completion of the project within stipulated timelines given in the RFP.

- 13.** The network equipment should be provided with 5 years of on-site comprehensive warranty which will start from the date of complete migration of all locations to new SD-WAN solution and successful sign-off from ECGC IT team. Subsequently, Bidder shall provide the AMC/ATS/ARC support for the MPLS and Internet links during the warranty period. Bidder is required to co-ordinate with Company's existing System Integrator for Facilities Management Services throughout the tenure of the contract.
- 14.** The SD-WAN solution should be capable of utilizing both the links in following scenarios.
- a) MPLS+MPLS
  - b) MPLS+4G/5G
  - c) MPLS + Internet
  - d) Internet + Internet
  - e) MPLS/VSAT/3G/4G/5G link without backup.
  - f) Only single internet link
- 15.** The SD-WAN Solution provided by the successful bidder should be horizontally scalable.
- 16.** The successful bidder must ensure that at any instance, the utilization of the CPU, Memory, Storage etc. of the SD-WAN Devices installed should not cross 75% of the utilization at any given point of time of the total available resources respectively. In case the utilization of CPU/MEMORY/Storage etc crosses the threshold of 75%, then bidder need to provide upgraded equipment free of cost during the tenure of contract.
- 17.** The bidder should propose the architecture at the time of technical bid submission which must be vetted by OEM with high availability at all levels and redundancy in case DC fails and during DR drills as well. The same would also need approval from ECGC IT team and any queries raised regarding architecture or traffic flow is to be clarified to ECGC IT.
- 18.** The proposed SD-WAN solution should have the capability to allow automatic/dynamic (without any manual configuration) encrypted IPSEC tunnels creation between branches (including offices, DC/DR) devices to enable branch to branch communication.
- 19.** The solution provided should be running on dedicated hardware appliance at all ECGC

locations except controller.

- 20.** All network components of the SD-WAN (Hardware/Software) solution should be supported by same OEM during the tenure of contract.
- 21.** The proposed devices should be capable of mounting in existing company's racks in all locations and should not have perforations from top side of chassis (Top view should be covered entirely by metal casing/plate to prevent any liquid going inside the chassis from top).
- 22.** The SD-WAN equipment's should be supplied with Indian standard power cable. DC and DR devices should be supplied with redundant power supply and branch device should be supplied with single power supply.
- 23.** SD-WAN Solution must be implemented in such a way that, incoming and outgoing traffic will be load balanced automatically across the network links at branches even in case primary link is not fully utilized. Traffic should be sent across network links even when link is not congested.
- 24.** The entire SD-WAN solution should be IPv6 logo certified from day 1.
- 25.** The equipment's/applications used in DC/DR and critical locations should support high availability and redundancy at all levels from day 1.
- 26.** Two boxes in HA are required at following critical locations to avoid downtime. These locations are- DC & DR, 4 Regional Offices (Bengaluru, New Delhi, Kolkata, Bandra), HO- ECGC Bhawan Mumbai, New Delhi Branch, Nariman Point Mumbai Branch, Tirupur Branch, Hyderabad Branch, Ahmedabad Branch. In case of primary device failure, the secondary appliance should take over the role of primary device without any downtime.
- 27.** For other locations where single device will be installed, in case of failure of primary device, the same should be resolved/ replaced and should be in working condition within 1 day's downtime.
- 28.** The standby appliance should support immediate manual failover which can be used for troubleshooting/upgrades etc.
- 29.** SD-WAN solution should support export of DC/DR/Branch devices configuration for auditing purpose and its restoration as well. The solution should comply with IRDAI , MEITY, CERT-In, etc regulatory guidelines at all times.
- 30.** SD-WAN solution should provide the ability to monitor quality parameters like round-trip

delay, jitter, packet drop etc. and route critical applications on the link with better characteristics. There should be clear visibility of traffic flowing across all the links as well as application-wise bandwidth consumption and use all available bandwidth in optimal way.

- 31.** During the contract period, ECGC may add/ delete/ replace a greater number of applications, security policies etc. Accordingly, the bidder shall carry out necessary configuration changes (if required) in their network, as advised by the ECGC from time to time at no extra cost to the ECGC.
- 32.** All the hardware supplied should be appliance based, RACK mountable and should be from the same OEM and must be supplied with all related accessories, power cables, mounting kit etc.
- 33.** The delivered Hardware (Appliance) Products should carry onsite comprehensive 5-year warranty thereof and the same should be back lined with OEM and proof of the same should be submitted to the company. Five years warranty proof should be submitted immediately after installation signoff. Warranty shall start from the date of installation and commissioning of Devices for five years contract period.
- 34.** All the components of proposed SD-WAN Solution need to be on-premise. Only Controller /Orchestrator/Headend will be on shared mode. The data security and privacy of the same should be the bidder's responsibility.
- 35.** The proposed SD-WAN solution should support for Hub & Spoke, Partial Mesh, full mesh network topology from day 1. Company at its discretion will deploy desired topology.
- 36.** Bidders are required to propose best optimized solution considering following configuration for reference:
  - For Branch: minimum 4 number of 100/1000BaseT Ethernet WAN/LAN L3 ports.
  - For Hub location: minimum 6x 10G SFP+ and 8x 1G electrical ports having dual Power Supply
  - Controller/Headend shall be on shared mode and in control of ISP's DC/NOC
  - Each device should have dedicated 1 GE RJ45 port for Management.
- 37.** The proposed SD-WAN solution should support management via CLI, Web GUI administration interface and should support integration with various network management tools.

- 38.** Bidder/OEM will be totally responsible for configuration, migration, installation, and best practices implementation at ECGC's all locations including DC/DR.
- 39.** Bidder/ OEMs should have service/ support infrastructure at across India and should be able to provide efficient and effective support PAN India.
- 40.** The bidders should submit the escalation matrix for delivery & installation, for support services (contact persons details & e-mail ids).
- 41.** The OEM/SI should provide onsite resources for smooth implementation, commissioning, and onboarding of locations to SD-WAN at no extra cost to the Company. If any major issue related to SD-WAN deployment arises due to which Company business is getting impacted during the implementation phase across all locations and bidder is not able to rectify the same within 24 hours, then OEM person should reach ECGC's head office/DC and continue to be present till the issue is permanently resolved. ECGC will provide necessary infra for that resource.
- 42.** The bidder should provide onsite resources for the complete implementation and commissioning of SD-WAN, and they should continue to provide onsite support post 3 months implementation of SD-WAN solution across all locations. ECGC will provide necessary infra for that resource.
- 43.** The bidder has to provide SOP with regard to working of their proposed SD-WAN solution along with hands on training to ECGC of the same. The bidder is also required to provide the training once every year which shall include existing and add-on features/ new functionality/ features etc. ECGC will intimate the bidder in advance for conducting such trainings.
- 44.** Bidder has to provide training on SDWAN technology and its salient Features comprises of Network Reports generation, troubleshooting of NW issues, BW analysis, Setting up of QOS, etc for IT Team at no additional cost to the company.
- 45.** In case of device/part thereof gone faulty, the Selected Bidder shall replace the faulty device/part as per SOW & SLA defined in RFP. Further, bidder shall provide & install standby device of similar make model or equivalent device from the same OEM against faulty equipment at all circumstances to make the network functional within defined SLA during the tenure of contract. The standby device should not be EOL/EOS. In case of RMA, it is bidders' responsibility to replace the equipment as per SLA and to return the faulty equipment to the OEM warehouse at no extra cost to the company during the tenure of the contract.

46. All modules, licenses, power cables, ethernet/ fiber cable and all other sub-components should be bundled/mapped with parent device and warranty of these items should be co-terminus with warranty of parent devices.
47. The bidder is expected to do a site survey for feasibility and for positioning of the terminating equipment. They should clearly inform about the equipment that will be deployed with its physical, electrical and any other related information.
48. The bidder shall arrange required Right of way permission from Local Corporation / Municipalities / authorized agency for road culling, digging and laying of fiber / copper. ECGC would not pay any cost towards the same.
49. The bidder, without any additional cost to the company, adequate protection for the pole/antenna like monkey protection cage / snow shield / others wherever necessary, to prevent disturbances to the alignment causing communications failure.
50. The bidder should submit reports like Uptime, Bandwidth utilization, Link error, latency, etc. on daily / monthly basis and as per the ECGCs requirement. All the locations are to be monitored as per SLA. The Scheduled Reports, On demand Reports and Web portal shall be preferred.
51. The Bidder shall ensure to Mitigate various audit points, Compliance and Mitigation of vulnerability assessment (VA)/Penetration Testing (PT) points at no cost to the Company within mutually agreed timelines as and when any advisory/bugs/vulnerabilities released/suggested by competent authority/organization/Company at any point of time during the validity of the contract period, except for those cases where in the applicable patch/fix/OS is not yet released/declared stable by the OEM. However, in such cases, it is responsibility of the bidder to ensure that such requirement of the company is completed satisfactorily within least possible and stipulated timeframe. A preliminary VAPT shall be conducted by bidder internally and mitigation shall be implemented in addition to VAPT findings reported by ECGC from time to time.
52. The bidder should keep the Company explicitly informed about the end of support dates of the related infrastructure and should ensure support during the complete warranty/contract period.
53. The bidder should ensure that all the supplied hardware and software for the solution must not be End of Support / End of service and spares/upgrades should be available. In case of any equipment goes End of support from OEM, the bidder has to replace it

without any extra cost to the Company.

- 54.** The Bidder shall provide the detailed RCA of any issue reported by Company within stipulated time.
- 55.** Bidder shall keep adequate stock of the spare equipment's or part thereof to maintain the SLA uptime.
- 56.** Bidder must ensure OEM TAC support as and when required during the contract period. Additionally, bidder should arrange on-site OEM TAC support at DC, DR, and Head Office as per the company requirement.
- 57.** Bidder should provide login id details to company for logging to OEM portal for the call logging, support and log/view the status of calls/TAC cases raised by/for the Company.
- 58.** Bidder shall also provide with read only access of all devices along with controller.
- 59.** Whenever any issue reported by the company, the Bidder will ensure to troubleshoot the issue in time bound manner in coordination with company SI and parallelly log the ticket with OEM TAC. Bidder need to ensure timely OEM support is available as per SLA. In case of hardware / software related issues where RMA/Device replacement is needed in such case SI in coordination with Bidder will raise ticket with OEM and Bidder to ensure timely resolution.
- 60.** Company should be able to log calls 24\*7 via phone/email/web-portal directly with OEM without any dependency on Bidder.
- 61.** The bidder must rack mount the equipment, tagging of asset-id (as provided by the Company), configuring the proposed equipment & parts as per requirement. Bidders need to install new proposed equipment into network rack and perform power-on self-test (POST).
- 62.** Bidders need to uninstall and remove all existing cables from OLD SD WAN equipment & install new proposed SD-WAN equipment along with CAT6A cables. Reconnecting all uplinks (fiber cables) and other CAT6A cables in a neat manner (rack dressing) for the new proposed SD-WAN equipment along with the dressing (labeling and tagging) & cabling.
- 63.** The bidder should appoint and depute a dedicated Project Manager for the deployment of devices and providing support services who will act as a Single Point of Contact (SPOC) for the company. He shall be responsible for proper co-ordination with respective SPOC at each site for proper delivery, installation, and commissioning of the devices at locations mentioned in the PO.

- 64.** The bidder must depute sufficient onsite resources including project manager / coordinator to complete the project within RFP timelines. The Project Manager has to supervise project coordination activity for all locations, ensure configuration and turn up of services as per defined plan and then handing over to ECGC for testing.
- 65.** The bidder must ensure that the eligibility, experience, skills, and certification for the Onsite resources must comply with the proposed OEM technology to complete the project smoothly within RFP timelines. The OEM also need to ensure that the deployed onsite resource must be having relevant experience and skills on technology to be deployed in ECGC to complete the project smoothly.
- 66.** The Bidder/ Onsite Resource/ Project Manager will be required to do end to end coordination with company's existing SI and other vendors to troubleshoot the issue.
- 67.** The Bidder will be required to submit Reports of incident management that includes all the necessary information of incident on monthly basis to the company.
- 68.** The Bidder shall ensure the migration of existing equipment configuration to new proposed SD - WAN equipment without any downtime. In case, downtime is required then it should be very minimal and proper approval of the downtime should be taken from ECGC IT team.
- 69.** Bidder's IP/MPLS network including last mile should be capable of handling Data, Voice and Video traffic with different QoS feature as and when required by the Customer
- 70.** The bidder should provide primary MPLS on their own network. The bidder can avail third party network (Secondary MPLS) infrastructure; however, the responsibility, SLA and data security have to be ensured by the bidder.
- 71.** The bidder should provide the Ethernet drop/handoff at all locations
- 72.** The bidder should have own NOC, and should mention details [location and address] of Primary and Backup NOC. The NOC should be operational for at least 5 years as on the date of this tender.
- 73.** The bidder should connect the network to their NOC (24\*7) with DR facility in different seismic zone for monitoring and providing various NOC reports such as device/link uptime, link utilization.
- 74.** Service provider backbone should be highly redundant, ensuring that there is no single point of failure. The bidder should have minimum two own Network Operating Center (NOCs) working in failover mode.

- 75.** The bidder's network infrastructure should be IPV6 ready at the time of awarding the contract and without additional cost to the customer.
- 76.** The Bidder's core network infrastructure should be enabled with 6 class of service model with separate traffic management for multiple voice/data traffic with QOS feature.
- 77.** The bidder should be a National Long Distance Service Provider or IP VPN service provider having own MPLS VPN network under license from Gol.
- 78.** The bidder should own high redundancy MPLS based network fiber backbone in redundant architecture in India. The network should offer redundancy at all levels. The bidder's core MPLS enabled network should have minimum operational coverage at least in 500 Indian cities
- 79.** The Bidder should have at least 50,000 KM of their own Fiber connectivity across India along with minimum 100 MPLS POPs and 500 RF PoPs across India.
- 80.** The solution should have separate physical, control and data plane, it should be possible to configure control and management planes in different security firewall zones. It should be able to support centralized management plane to authenticate SD-WAN solution components like control plane, data plane & NMS tools.
- 81.** The solution should have built in capability for voice and video application improvement by correcting link errors at branch level and sending application packets via single & both links. ### **3.10. Opening and evaluation of bids**

#### **3.10.1 Opening of Bids by the Company**

- 3.10.1.1** The Company reserves the right to open the Bids soon after their receipt from all the Bidder(s) without waiting till the last date as specified above and the right to disqualify any or all Bidder(s) either on the basis of their responses, to all or some of the response sheets, or even any part thereof without assigning any reasons whatsoever.
- 3.10.1.2** The Company at its discretion and if it considers appropriate may announce the Bidders' names, Bid modifications or withdrawals and the presence or absence of requisite documents and such other details.
- 3.10.1.3** Bids and modifications sent, if any, that are not opened at Bid Opening shall not be considered further for evaluation, irrespective of the circumstances. Withdrawn bids will be returned sealed/unopened to the Bidders.

#### **3.10.2 Preliminary Evaluation**

- 3.10.2.1** The Company will examine the Bids to determine whether they are complete, whether the required formats have been furnished, the documents have been properly signed, and that the Bids are generally in order.
- 3.10.2.2** Prior to the detailed evaluation, the Company will determine the responsiveness of each Bid to the Bid Document. For purposes of these clauses, a responsive Bid is one, which conforms to all the terms and conditions of the Bid Document without any deviations.
- 3.10.2.3** The Company's determination of a Bid's responsiveness will be based on the contents of the Bid itself, without recourse to extrinsic evidence.
- 3.10.2.4** If a Bid is not responsive, it will be rejected by the Company and such a Bid may not subsequently be made responsive by the Bidder by correction of the nonconformity.

### **3.10.3 Evaluation of Bids**

- 3.10.3.1** Only those Bidders and Bids which have been found to be in conformity of the eligibility terms and conditions during the preliminary evaluation would be taken up by the Company for further detailed evaluation. The Bids which do not qualify the eligibility criteria and all terms during preliminary examination will not be taken up for further evaluation.
- 3.10.3.2** The Company reserves the right to evaluate the Bids on technical & functional parameters.
- 3.10.3.3** The scoring sheets will be shared only with interested bidders and those participating in pre-bid meeting.
- 3.10.3.4** The Eligibility Evaluation will be first carried out as per the criteria given in Annexure-1. The Bidders who score minimum of 70% in this Part shall be deemed to be qualified for further evaluation.
- 3.10.3.5** The Technical Evaluation would be carried out (for vendors who qualified Eligibility evaluation criteria of minimum 70% marks) as per the Technical Evaluation Criteria specified in Annexure – 4 of this RFP. The Bidders meeting technical requirements of Tender and having submitted technical bid as per tender conditions will be evaluated further. The incomplete technical bid may be subject to rejection. However, ECGC at its discretion may call for additional documents/ clarification from all bidders, if required.
- 3.10.3.6** The Bidders submitting bids in accordance of tender condition and qualifying the eligibility evaluation criteria will be invited for making presentation before the ECGC

Technical Evaluation Committee for this RFP, and will be evaluated as per criteria specified in Technical scoring sheet on overall solution designed and proposed.

**3.10.3.7** During evaluation and comparison of Bids, the Company may, at its discretion ask the Bidders for clarification of their bid. The request for clarification shall be in writing and no change in prices or substance of the Bid shall be sought, offered or permitted. No post Bid clarification at the initiative of the bidder shall be entertained.

**3.10.3.8** The minimum qualifying marks for technical bid will be 70% marks.

**3.10.4 Evaluation of Price/Financial Bids and Finalization**

The bidders receiving minimum 70% marks in Technical bid will be considered for further evaluation and the Price/Financial Bids for these Bidder(s) shall be opened.

The Price/Financial Bid will be scored on a total of 100 as under:

$C_s = (C_{min} / C_b) \times 100$  where,

$C_s$  = Commercial score of the Bidder under consideration

$C_{min}$  = Lowest Price/Financial Bid quoted

$C_b$  = Price/Financial Bid under consideration

Bids will finally be ranked on the basis of combined scores arrived as follows:

- Weight of 70% to the total technical score (combined score under Part – I and Part – II)
- Weight of 30% to the commercial score

Combined Technical and Commercial Score, calculated up to two decimal points, will be as under:

$$B_s = (0.7) * T_s + (0.3) * C_s$$

Where,

$B_s$  = overall combined score of Bidder under consideration

$T_s$  = Technical score of the Bidder under consideration

$C_s$  = Commercial score of the Bidder under consideration

- Company may waive off any minor infirmity or non-conformity or irregularity in a Bid, which does not constitute a material deviation, provided such a waiving does not prejudice or affect the relative ranking of any Bidder.
- Company reserves the right to reject any or all incomplete Bids.

- Bidder(s) having any doubt/ queries/ concerns with any clause of this document or selection process shall raise their concern within 7 days of release of RFP Document. ECGC will not be liable to accept or provide any explanation towards any doubt/ concerns later on whatever the same may be.
- The queries may be communicated only through the e-mail id provided, [it-tender@ecgc.in](mailto:it-tender@ecgc.in) the format provided in Annexure- 8.
- Bidder(s) bidding in the process shall give as a part of the Bidding documents a statement on their letter head, as per the format provided under Annexure - 3, that they have no objection with any clause of the Tender Document.

### **3.11. Contacting the Company**

**3.11.1** No Bidder shall contact the Company on any matter relating to its Bid, from the time of opening of Price/Financial Bid to the time the Contract is awarded.

**3.11.2** Any effort by a Bidder to influence the Company in its decisions on Bid evaluation, Bid comparison or contract award may result in the rejection of the Bidder's Bid and its barring from any future RFPs / contracts / business with ECGC.

### **3.12. Award Criteria**

The Bidder that gets the highest combined technical and commercial score shall be awarded the Contract. ECGC Ltd. will notify the successful Bidder in writing, by letter or by e-mail, that its Bid has been accepted. The notification of award will constitute the formation of the offer to contract. The selected Bidder should convey acceptance of the award of contract by returning duly signed and stamped duplicate copy of the award letter within seven working days of receipt of the communication. In case of a tie, the Bid having higher score in technical evaluation will be considered the best bid value. In case the selected Bidder fails to accept the award then the Bidder securing the next highest combined score among the Bidder(s) (other than the Bidder who has failed to accept the award) will be considered for the award and so on. The successful Bidder will have to submit the Performance Bank Guarantee and execute a Service agreement within 15 working days of the award of Contract, which will be valid for the tenure as mentioned in this RFP Document

### **3.13. Company's Right to Accept Any Bid and to reject any or All Bids**

- 3.13.1** The Company reserves the right to accept or reject any Bid or to cancel the Bidding process and reject all Bids at any time prior to contract award, without incurring any liability to the affected Bidder(s) or any obligation to inform the affected Bidder(s) of the grounds for the Company's action.
- 3.13.2** All decisions taken by the Company are binding and final.

### **3.14. Performance Bank Guarantee**

- 3.14.1** The successful Bidder (hereinafter referred to as the 'Vendor') shall be required to submit a Performance Bank Guarantee ("PBG") as per pro-forma attached as Annexure - 6 for a value equal to 3% of the Contract value, valid for the period of the Contract (plus additional 8 weeks for claim period) from the date of satisfactory acceptance/ sign off by ECGC.
- 3.14.2** The PBG of correct value and validity period as mentioned above must be submitted within two weeks from the date of acceptance of the Letter of Award.
- 3.14.3** In case the contract period is extended beyond six months due to nature of work, the PBG shall have to be extended / renewed / re-issued for the new / extended contract period, including the claim period. The Vendor to make provisions for submission of extended PBG at least two weeks before the expiry of the original term of PBG in such case.
- 3.14.4** PBG shall be forfeited if the services are terminated abruptly by the Vendor or for any deviation by the Vendor from the terms of the Contract by way of which the Company can decide to forfeit the PBG. Further, unpaid charges, if any, will also not be paid in these circumstances. In case of no punitive action against the Vendor, the PBG will be returned after the 8 weeks from the satisfactory acceptance/ signoff by ECGC or on settlement of any claim against the Vendor, whichever is later.

### **3.15. Earnest Money Deposit**

Earnest Money Deposit (EMD) of Rs. 5,00,000 (Rupees Five lakh only) is required to be submitted, preferably by NEFT, by the Bidder along with submission of Bid documents as per the Schedule of events provided. It can also be paid by Demand Draft/ Bankers Cheque/ Bank Guarantee by the bidder along with the tender. The above definition of Confidential Information applies to both parties equally; however, in addition, without limitation, where the Disclosing Party is the ECGC, no information that is exempted from disclosure under section 8 or any other provision of Right to Information Act, 2005 shall at any time be disclosed by the Receiving Party to any third party.

- b. MATERIALS** mean including without limitation, documents, drawings, models, apparatus, sketches, designs and lists furnished to the Receiving Party by the Disclosing Party and any tangible embodiments of the Disclosing Party's Confidential Information created by the Receiving Party.

## **2. Covenant Not to Disclose**

The Receiving Party will use the Disclosing Party's Confidential Information solely to fulfil its obligations as part of and in furtherance of the actual or potential business relationship with the Disclosing Party. The Receiving Party shall not use the Confidential Information in any way that is directly or indirectly detrimental to the Disclosing Party or its subsidiaries or affiliates, and shall not disclose the Confidential Information to any unauthorized third party. The Receiving Party shall not disclose any Confidential Information to any person except to its employees, authorized agents, consultants and contractors, on a need-to-know basis, who have prior to the disclosure of or access to any such Confidential Information agreed in writing to receive it under terms as restrictive as those specified in this Agreement.

In this regard, any agreement entered into between the Receiving Party and any such person/s shall be forwarded to the Disclosing Party promptly thereafter. Prior to disclosing any Confidential Information to such person/s, the Receiving Party shall inform them of the confidential nature of the information and their obligation to refrain from disclosure of the Confidential Information. The Receiving party shall use the same degree of care in safeguarding the Confidential Information as it uses or would use in safeguarding its own Confidential Information, and shall take all steps necessary to protect the Confidential Information from any unauthorized or inadvertent use. In no event shall the Receiving Party take all reasonable measures that are lesser than the measures it uses for its own information of similar type. The Receiving Party and its Representatives will immediately notify the Disclosing Party of any use or disclosure of the Confidential Information that is not authorized by this Agreement. In particular, the Receiving Party will immediately give notice in writing to the Disclosing Party of any unauthorized use or disclosure of the Confidential

Information and agrees to assist the Disclosing Party in remedying such unauthorized use or disclosure of the Confidential Information.

The Receiving Party and its Representatives shall not disclose to any person including, without limitation any Company, sovereign, partnership, company, Association of Persons, entity or individual-

- (i) the fact that any investigations, discussions or negotiations are taking place concerning the actual or potential business relationship between the parties,
- (ii) that it has requested or received Confidential Information, or
- (iii) any of the terms, conditions or any other fact about the actual or potential business relationship.

This confidentiality obligation shall not apply only to the extent that the Receiving Party can demonstrate that:

- a) the Confidential Information of the Disclosing Party is, or properly became, at the time of disclosure, part of the public domain, by publication or otherwise, except by breach of the provisions of this Agreement; or
- b) was rightfully acquired by the Receiving Party or its Representatives prior to disclosure by the Disclosing Party;
- c) was independently developed by Receiving Party or its Representatives without reference to the Confidential Information; or
- d) the Confidential Information of the Disclosing Party is required to be disclosed by a Government agency, is the subject of a subpoena or other legal or demand for disclosure; provided, however, that the receiving party has given the disclosing party prompt written notice of such demand for disclosure and the receiving party reasonably cooperates with the disclosing party's efforts to secure an appropriate protective order prior to such disclosure.
- e) is disclosed with the prior consent of or was duly authorized in writing by the disclosing party.

### **3. Return of the Materials**

Upon the disclosing party's request, the receiving party shall either return to the disclosing party all Information received as Confidential Information or shall certify to the disclosing party that all media containing such Information have been destroyed. Provided, however, that an archival copy of the Information may be retained in the files of the receiving party's counsel, solely for the purpose of proving the contents of the Information.

### **4. Ownership of Confidential Information**

The Disclosing Party shall be deemed to be the owner of all Confidential Information disclosed by it or its agents to the Receiving Party or its agents hereunder, including without limitation all patents, copyright, trademark, service mark, trade secret and other proprietary rights and interests therein, and Receiving Party acknowledges and agrees that nothing contained in this Agreement shall be construed as granting any rights to the Receiving Party, by license or otherwise in or to any Confidential Information. Confidential Information is provided "as is" with all faults.

By disclosing Information or executing this Agreement, the disclosing party does not grant any license, explicitly or implicitly, under any trademark, patent, copyright, mask work protection right, trade secret or any other intellectual property right.

In no event shall the Disclosing Party be liable for the accuracy or completeness of the Confidential Information. THE DISCLOSING PARTY DISCLAIMS ALL WARRANTIES REGARDING THE INFORMATION, INCLUDING ALL WARRANTIES WITH RESPECT TO INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS AND ALL WARRANTIES AS TO THE ACCURACY OR UTILITY OF SUCH INFORMATION. Execution of this Non-Disclosure Agreement and the disclosure of Information pursuant to this Agreement does not constitute or imply any commitment, promise, or inducement by either party to make any purchase or sale, or to enter into any additional agreement of any kind.

## **5. Remedies for Breach of Confidentiality**

- (i) The Receiving Party agrees and acknowledges that Confidential Information is owned solely by the disclosing party (or its licensors or agents) and that any unauthorized disclosure of any Confidential Information prohibited herein or any breach of the provisions herein may result in an irreparable harm and significant injury and damage to the Disclosing Party which may be difficult to ascertain and not be adequately compensable in terms of monetary damages. The Disclosing Party will have no adequate remedy at law thereof, and that the Disclosing Party may, in addition to all other remedies available to it at law or in equity, be entitled to obtain timely preliminary, temporary or permanent or mandatory or restraining injunctions, orders or decrees as may be necessary to protect the Disclosing Party against, or on account of, any breach by the Receiving Party of the provisions contained herein, and the Receiving Party agrees to reimburse the reasonable legal fees and other costs incurred by Disclosing Party in enforcing the provisions of this Agreement apart from paying damages with interest at the market rate prevalent on the date of breach to the Disclosing Party.
- (ii) The Receiving Party agrees and acknowledges that any disclosure, misappropriation, conversion or dishonest use of the said Confidential Information shall, in addition to the remedies mentioned above, make the Receiving Party criminally liable for Breach of Trust under Section 316 of the Bhartiya Nyaya Sanhita (BNS) 2023.

## **6. Term**

This Agreement shall be effective on the first date written above and shall continue in full force and effect at all times thereafter. This Agreement shall however apply to Confidential Information disclosed by the Disclosing Party to the Receiving Party prior to, as well as after the effective date hereof. The Receiving Party acknowledges and agrees that the termination of any agreement and relationship with the Disclosing Party shall not in any way affect the obligations of the Receiving Party in not disclosing of Confidential Information of the Disclosing Party set forth herein. The obligation of non-disclosure of Confidential Information shall bind the parties, and also their successors, nominees and assignees, perpetually.

## **7. Governing Law & Jurisdiction**

This Agreement shall be governed by and construed with solely in accordance with the laws of India in every particular, including formation and interpretation without regard to its conflicts of law provisions. Any proceedings arising out of or in connection with this Agreement shall be brought only before the Courts of competent jurisdiction in Mumbai.

## **8. Entire Agreement**

This Agreement sets forth the understanding between the parties as to the subject-matter of this Agreement and supersedes all prior representations, discussions, and negotiations whether oral or written or electronic. This Agreement may be amended or supplemented only in writing that is signed by duly authorized representatives of both parties.

## **9. Waiver**

No term or provision hereof will be considered waived by either party and no breach excused by the Disclosing Party, unless such waiver or consent is in writing signed by or on behalf of duly Constituted Attorney of the Disclosing Party. No consent or waiver whether express or implied of a breach by the Disclosing Party will constitute consent to the waiver of or excuse of any other or different or subsequent breach by the Receiving Party.

## **10. Severability**

If any provision of this Agreement is found invalid or unenforceable, that part will be amended to achieve as nearly as possible the same economic or legal effect as the original provision or will be struck off and the remainder of this Agreement will remain in full force.

## **11. Notices**

Any notice provided for or permitted under this Agreement will be treated as having been given when (a) delivered personally, and/or (b) sent by confirmed telecopy/fax, and/or (c) sent by commercial overnight courier with written verification of receipt, and/or (d) mailed postage prepaid by certified or registered mail, return receipt requested, and/or (e) by electronic mail, to the party to be notified, at the address set forth below or at such other place of which the other party has been notified in accordance with the provisions of this clause. Such notice will be treated as having been received upon actual receipt.
