E. Disqualifications

1. While it will be ensured that genuine Whistle Blowers are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection will warrant disciplinary action.
2. Protection under this Policy would not mean protection from disciplinary action arising out of false or bogus allegations made by a Whistle Blower knowing it to be false or bogus or with a mala fide intention.
3. Whistle Blowers, who make three or more Protected Disclosures, which have been subsequently found to be mala fide, frivolous, baseless, malicious, or reported otherwise than in good faith, will be disqualified from reporting further Protected Disclosures under this Policy. In respect of such Whistle Blowers, the Chairman would reserve its right to take/recommend appropriate disciplinary action.

F. Procedure

1. *A whistleblower, irrespective of his rank in the organization, can send his complaints/protected disclosures, in confidence, directly to the Chairman of the Board or the Audit Committee of the Board or to the Statutory Auditors, who shall communicate it to the CVO of the organization, protecting the identity of the person and thereafter, on receipt of investigation report of the CVO, advise appropriate action thereon to the CMD.*

2. *The Appointed Actuary and the Statutory / Internal Auditors have the duty to 'whistle blow' i.e. to report in a timely manner to the Authority if they are aware that the insurance company has failed to take appropriate steps to rectify a matter which has a material adverse effect on its financial condition. This would enable the Authority to take prompt action before policyholders' interests are undermined.*
3. Protected Disclosures should be reported in writing so as to ensure a clear understanding of the issues raised and should either be typed or written in a legible handwriting in English, Hindi or in the regional language of the place of employment of the Whistle Blower.
4. The Protected Disclosure should be forwarded under a covering letter which shall bear the identity of the Whistle Blower.
5. Protected Disclosures should be factual and not speculative or in the nature of a conclusion, and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern and the urgency of a preliminary investigative procedure.
6. The Whistle Blower must disclose his/her identity in the covering letter forwarding such Protected Disclosure. Anonymous disclosures will not be entertained as it would not be possible to interview the Whistle Blowers.
7. Concerns expressed anonymously WILL NOT BE usually investigated BUT subject to the seriousness of the issue raised, the Chairman of Audit Committee can initiate an investigation independently.

G. Investigation

1. All Protected Disclosures reported under this Policy will be thoroughly investigated by the Chief Vigilance Officer (CVO).

2. The decision to conduct an investigation taken by the Chairman of Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may not support the conclusion of the Whistle Blower that an improper or unethical act was committed.
3. The identity of the Subject will be kept confidential to the extent possible given the legitimate needs of law and the investigation.

H. Protection

1. No unfair treatment will be meted out to a Whistle Blower by virtue of his/her having reported a Protected Disclosure under this Policy. ECGC, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistle Blowers. Complete protection will, therefore, be given to Whistle Blowers against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion, or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties/functions including making further Protected Disclosure. The Company will take steps to minimize difficulties, which the Whistle Blower may experience as a result of making the Protected Disclosure. Thus, if the Whistle Blower is required to give evidence in criminal or disciplinary proceedings, the Company will arrange for the Whistle Blower to receive advice about the procedure, etc.
2. The identity of the Whistle Blower shall be kept confidential to the extent possible and permitted under law. Whistle Blowers are cautioned that their identity may become known for reasons outside the control (e.g, during investigations carried out by Investigators).
3. Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower.

I. Investigators

1. Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Chairman of Audit Committee/CVO when acting within the course and scope of their investigation.
2. Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior, and observance of legal and professional standards.
3. Investigations will be launched only after a preliminary review which establishes that:
 - the alleged act constitutes an improper or unethical activity or conduct, and
 - either the allegation is supported by information specific enough to be investigated, or matters that do not meet this standard may be worthy of management review.

J. Decision
